Dear Mr. Whitenack:

We received the EPA's August 24, 2010, correspondence regarding InterState Oil's January 11, 2010, response to EPA's 104(e) Request for Information pursuant to 42 USC § 9604(e). InterState Oil Company is a responsible and conscientious company and would like to work with the EPA to make sure its responses are adequate. However, your August 24, 2010, correspondence does not indicate specifically which responses are inadequate or why they are inadequate.

Again, we would like the opportunity to work with you in making sure our responses are adequate. Please contact me at your earliest convenience so that we can discuss our responses.

Very truly yours,

PORTER SCOTT
